Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule 1.322.

Respecting the alleged errors noted in your request, Amendments not entered have been lined through. Said unentered amendments were not a fault of the Patent Office and would require a fee submission, since, the patent application #10/511.302 was as presented in the IDS submitted by the applicant on 12-06-2005.

In view of the foregoing your request in this matter is hereby denied.

A certificate of correction will issue for the remaining errors noted in your request.

Further consideration will be given upon receipt of a Request for Reconsideration, which should be directed to Decisions and Certificate of Correction Branch. Requests for Reconsideration should be accompanied by additional support (e.g. copy of amendments, post card receipts) as requested.
